I hereby give my consent for the above-named student to represent _____ Middle School in his/her sport and for him/her to accompany the team on athletic trips. This may include games, practices, and scrimmages.

I understand my child must submit to their coach an LHSAA Medical History (Physical) Form **(This physical expires 13 months from the date it was signed and dated by the MD, DO, APRN, or PA)**. Concussion: Statement of Student-Athlete Responsibility and Parent Awareness - Louisiana Youth Concussion Act 314

What is a Concussion?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head that causes the head and brain to move quickly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.

Facts about Concussions

1. A concussion is a serious brain injury
2. Concussions can occur without a loss of consciousness or other obvious signs
3. Concussions can occur from blows to the body as well as to the head
4. Concussions can occur in any sport
5. Athletes can still get a concussion even if they are wearing a helmet
6. Recognition and proper response to concussions when they first occur can help prevent further injury or even death.

Symptoms Reported by Athlete:

| | |
|---|--------------------|
| Headache or “pressure” in the head | Nausea or vomiting |
| Balance problems or dizziness | Double vision |
| Sensitivity to light or noise | Confusion |
| Feeling sluggish, hazy, foggy, or groggy | Blurry vision |
| Just not “feeling right” or is “feeling down” | |

Signs and symptoms of a concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If an athlete reports one or more symptoms of a concussion listed above after a bump, blow, or jolt to the head or body, s/he should be kept out of play the day of the injury and until a health care professional. Experienced in evaluating for concussion, says s/he is symptom-free and it's OK to return to play.

Statement of Student-Athlete Responsibility

I accept responsibility for reporting all injuries and illnesses to the coach and parent(s) including any signs and symptoms of a Concussion. I have read and understand the above information on concussions.
